Congrats to Mr & Mrs Bund

By [Justin Fischer](#), Nov 9th, 2011 | In [Dining](#)

The 2011/12 Miele Dining Guide has been released and looks like Shanghai has some culinary bragging rights. Mr & Mrs Bund has made it to *Asia's Top 20* best restaurants list, placing 7th. That's out of about 500 restaurants from 17 countries that even made the cut for consideration on this list.

This the first time since 2008 that a restaurant from Shanghai -- *M on the Bund* -- has made the list and the first time *ever* in the Miele Guide's young career that a Shanghai restaurant has placed above 10.

Congratulations to Paul Pairet and his team...

...Now hurry up and open *Ultra Violet* already!
